Important! Disclaimer!

I do not own the music, lyrics, artwork, or any other portion of the band or song references. They are the property of their respective owners. The artwork, which I also do not own, appears solely to illustrate the artwork from which the song being discussed comes.

I only own the stories, thoughts, and impressions of how the music has influenced me and the similarities I find with testing and automation.

Burst

*I don't intend to offend,
I just offend with my intent*

Magenic

@pgrizaffi

The Coming Curse

*Savior to my own,
Devil to some*

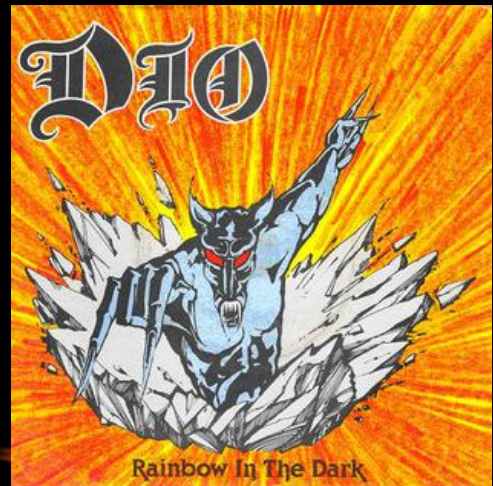

Magenic

@pgrizzaffi

Rainbow In The Dark

*I cry out for magic,
I feel it dancing in the light*

Magenic

@pgrizzaffi

Lest We Forget

Lest We Forget

Magenic

@pgrizzaffi

Helpless

*This business ain't for laughs,
business men don't like it so*

Magenic

@pgrizzaffi

All For One

*Hear the call
All for one, One for all*

Magenic

@pgrizaffi

Wasted Years

*So understand,
Don't waste your time
Always searching for
Those wasted years*

Magenic

@pgrizaffi

5150

*Always one more,
You're never satisfied*

Magenic

@pgrizaffi

Crazy Train

*The media sells it,
And you live the role*

Magenic

@pgrizaffi

Black Flag

*And I remember the day
When I saw the mask on my face
And I knew that it was time
To put the thing in its place*

Magenic

@pgrizaffi

Imaginations From The Other Side

*Imaginations from the other side,
Far out of nowhere,
It got back to my mind*

Magenic

@pgrizaffi

Heading For Tomorrow

*We are heading for tomorrow
But we don't know if we're near!
Will we beg or steal or borrow?
Will we ever lose the fear?*

Magenic

@pgrizzaffi

Space Truckin'

*We had a lot of luck on Venus
We always had a ball on Mars*

Magenic

TL;DR

Friendlies can help evangelize your message
 Change agents will offend some sensibilities
 Automation does not replace testers
 Automation does not have to come from test cases
 Automation development is software development
 Make business decisions
